It's time for the headlines in Cobb to change!

Come talk, listen and act on alcohol issues –

Let's make new headlines!

**Guest Speaker:**

**Penny Norton**, a powerful nationally recognized speaker from Michigan, who speaks with candor and conviction about steps that must be taken to change policies, practices and conditions that contribute to alcohol issues.

**Interactive, insightful and lively program  
format:**

This will be an interactive forum and facilitated discussion about underage and youth binge drinking with community leaders and residents
