Permit \_\_\_\_\_ Permit (TEC) # \_\_\_\_\_

A permit is hereby granted to install or construct the on-site sewage management system described above. This permit is not valid unless properly signed below, and expires twelve (12) months from the issue date.

Issuance of a construction permit for an on-site sewage management system, and subsequent approval of same by representatives of the Georgia Department of Human Resources or the Cobb & Douglas Public Health shall not be constructed as a guarantee that such system will function satisfactorily for a given period of time; furthermore, said representatives do not, by an action taken in affecting compliance with these rules, assume any liability for damages which are caused, or which may be caused, by the malfunction of such system. Any site modification including burial of debris may void this permit.
